Angharad is located in Penmynydd which is situated just five minutes drive from both bridges across the Menai Straits, and her 'east-central' location on the island places her within easy reach of all local attractions on Anglesey and all historical sites of interest on the island. The many attractions of beautiful Snowdonia, the Slate Quarries of Llanberis, Bethesda and Blaenau Ffestiniog, Caernarvon Castle, Penrhyn Castle and the University city of Bangor are all within easy reach.
